The Montreal Journal 5/17/16-42-Vacation section: 42 hours from Tallahassee-7 days of cycling Sunday to Apalach, photos with commentary of Carrabelle "On the Big Bend (us 98), the village of Carrabelle resists the passage of time, with colorful small boats in its port"

Please feel free to drop off any articles you may come across.

Chamber's Mix it up Mixer-May 26th

Best turnout ever, about 45 people attended. Thank you to Sunset Isle RV & Yacht for hosting the event. Everyone enjoyed some great munchies provided by The Marine Street Grill, our newest place in Carrabelle that serves great food! (They also do catering) Debi Jordan provided some great background music with her entertaining banter as we held the drawings for door prizes. Thank you everyone for the great door prizes! We had t-shirts donated from WOYS Radio, Carrabelle RV Resort, & the Chamber. Gift certificates were donated by Hog Wild Bar-B-Que, Marine Street Grill, & Forgotten Coast Paddlesports. Gift items were donated by Christie's Cottage Living, Carol Blaha, & the Crooked River Lighthouse. The grand prize was \$ 150 advertising in the Coastline Newspaper generously donated by Chuck Spicer! Jimmy from Sunset Isle RV & Yacht Club-Thank you for the great photos!

Look forward to the next one in July....hope to see you then!

Before

After

Commemorative Brick Wall at Carrabelle's Veterans Park is restored!

Over the past two years, Carrabelle's Veterans Park has painstakingly undergone repairs & upgrades. Recently the Commemorative Brick Wall was restored by the masonry crew of Jones Stucco with 280 new commemorative bricks. The bricks were funded by donations collected by Carrabelle Cares. The Jones Stucco crew also placed five new bronze military seals, mounted above four bricks bearing the names of four local veterans who died while in service. The crew repaired the paver patio, walkways, & pressure washed everything; all funded by the CRA. Please visit our Veterans Park to honor & share in the memory of those who served to protect our Country & our Freedom.

B. La Paz, Mayor, City of Carrabelle

Florida 511 Provides Real-time Road Conditions During Severe Weather

The Florida Department of Transportation (FDOT) reminds travelers in Florida to prepare for severe weather by adding [Florida's 511 Traveler Information System](#) to their emergency plans before Tropical Storm Colin makes landfall. Florida's 511 system provides information on traffic conditions, including road closures, emergency alerts, evacuation routes, toll suspensions and more before, during and after severe weather.

From planning an evacuation route to receiving real-time traffic alerts, Florida 511 is the number one source for drivers during a severe weather emergency. "If you are in your car and you know severe weather is imminent, the first thing I would recommend is FL511," said Trooper Steven Montiero of the Florida Highway Patrol. "Check to see if the major roadways are clear, if there are major traffic incidents on the roadway and prepare for any disaster that might take place."

There are five convenient ways for all motorists to receive traffic updates:

- Download the free Florida 511 mobile app available on [Google Play](#) or [Apple App Store](#).
- Call 511 toll free for updates in English and Spanish.
- Visit FL511.com for interactive roadway maps showing traffic congestion and crashes, travel times and traffic camera views.
- Sign up for a "My Florida 511" account at FL511.com to create custom routes and register for email, text or phone alerts.
- Follow one of the 13 statewide, regional or roadway-specific [Twitter](#) feeds ([#FL511](#)).

In addition, FL511.com provides links to county emergency resources, weather reports and advisories. The "Emergency Info" tab on FL511.com also may provide additional information on major road closures and alternate routes. Through FL511.com, individuals can make safety plans ahead of time by creating custom evacuation routes for themselves or a group. By making a [My Florida 511](#) account, users can create multiple evacuation routes throughout the state and sign up for time and route-specific text message, email or phone call alerts

FDOT reminds all travelers to check 511 before traveling, have a passenger check 511 or pull over to avoid distracted driving.

Safety Tips

- Drive slowly and turn on your lights in low visibility conditions including rain (do not use your hazards).
- Do not drive through flooded areas – the area could contain dangers such as debris, tree branches or power lines.
- Follow instructions by local officials and law enforcement during evacuations.
- Always wear a safety belt.
- Don't drink and drive.

Florida's 511 Features

- Traffic information on all interstate highways, toll roads and many other metropolitan roadways.
- Public transit, airport and seaport information.
- AMBER, Silver and LEO Alerts (America's Missing: Broadcast Emergency Response (AMBER) Alerts notify the public of the most serious child-abduction cases. Silver Alerts notify the public when law enforcement agencies are searching for missing adults or citizens with cognitive impairments, including Alzheimer's disease or other forms of dementia. Law Enforcement Officer (LEO) Alerts notify the public when law enforcement officers are searching for an offender(s) who has seriously injured or killed a law enforcement officer.)
- Travel information and traffic camera views
- Voice-activated and touch-tone navigation available when calling 511.
